  - The Carnation library now has an active Friends of Library, with solid volunteers. DFOL will fund coffee for the Carnation librarians, as the CFOL has very little funding right now;
  - Spanish Story Times is back in session this fall – Tuesday s at 6:30pm, plus special Talk Time beforehand at 6pm (10/28, 11/25, 12/23). This provides a casual setting to practice English while making new friends. Additionally, there is Toddler Story Times, Thursdays at 10:30am; Preschool Story Times, Thursdays at 11:30am; plus Story Book Science on Saturday, 10/18 at 10:30am.
  - For Teens, the Make Science Technology Reading program is held Saturday, 10/11 at 1pm.
  - Start to Fitness is scheduled for 10/27 – a Mastery Approach to Parenting in Sports. This is presented by Frank Smoll, PHD, UW Department of Psychology.

New Business

- Georgene has requested that after there is approval of staff items, she should get an email of that approval, and have KCLS send a check request or reimbursement form to her.
- Darlene and/or Linda will write up a job description for Book sorting, with includes the procedure to write our account number on all boxes going to Thrift Books.
- The Annual Meeting is next month. Michele will provide a list of positions that are up for election for the 2015-2016 period. Note: Jill Dalton is interested in joining the board. Carol will write up other job descriptions.
