

Duvall Friends of Library
Meeting Minutes, October 8, 2015

Attendees: Carol Kufeldt, Linda Bittle, Darlene Logan, Mary Comstock, Michele King, Joyce Ward

Carol called the meeting to order at 6:58 pm

- Carol passed around September's minutes for approval. Carol moved to approve the minutes, Darlene seconded, and were approved unanimously.

Reports/Updates

- Carol passed around financials, but unfortunately they were for Sep 2014
- We discussed Donations for Prisoners – decided it would be better to donate cash than books, as we don't know the types of books that are allowed. We will consider \$\$ value and discuss as the next meeting.
- Mary reported:
 - During September there were 61 attendees in the English Language story time, 25 in Other Languages for Children, 22 in Adult Literacy program, and 34 in Adult Programming. There were 92 new patron registrations.
 - October programs include story times, "Up" movie matinee, Comic Creator, Animania Cosplay Crafting Day, Assisted Living program (a Mind Matters program – see below), and STARS workshop "How to Grow Children's Emotional Intelligence".
 - "Mind Matters" is a full program for all KCLS libraries. On November 14th, Duvall Library will have Humanity's Future in Space.
 - 2016 planning is in process, and the theme will be "Everyone's Talking About It". Programs will be based upon the Presidential election, Olympics, ISIS, Bertha, plus small local issues (email Mary with ideas, or discuss at the November meeting).

New Business

- Next month's meeting will be the Annual meeting – positions open will be President (currently Carol), Secretary (currently Michele), plus Trustee 2 (currently Kathy Hill). We will try to get recruitments at the Chamber of Commerce's "Get Involved" event on October 10th.
- Joyce suggested that we should have DFOL membership cards, brochures, written information, which could help drum up membership. Mary will send a pdf of Woodinville's brochure to Carol for Duvall-specific redesign, plus a pdf of their membership card.
- Carol, Michele, Darlene, Linda, Mary, and (possibly) Joyce will attend the annual Friend's Day on October 17th. We will meet at Safeway, 8am to carpool.
